## White River Innovation District - May 2024 Construction Update

During May, the contractor and crews:

- Continued working on electrical duct bank.
- Installed, formed and poured duct bank around the area of Henry Street and Holly Street.
- Crew continued working on embankment construction on South White River Parkway north and south of Henry Street.
- Continued storm sewer installation on Holly Street.
- Installed the rest of the sanitary sewer along Holly Street.
- Finished installing a 12-inch water main on Marion, and completed the tap to the existing water main at Oliver Street and Marion Street.

*The 42-inch storm sewer along Holly Street*
