White River Innovation District - June 2024 Construction Update

During June, the contractor and crews:

- Continued working on electrical duct bank.
- Installed curb inlets on Henry Street.
- Continued working on embankment construction on South White River Parkway (SWRP) and on Henry Street.
- Resumed sanitary sewer installation along Henry Street west of Holly Street.
- Delivered signs and barricades for upcoming closure of Henry Street, from Harding Street to Division Street, along with all the side streets.
