## White River Innovation District - July 2024 Construction Update

During July, the contractor and crews:

- Continued working on embankment construction on South White River Parkway (SWRP) and on Henry Street west of SWRP.
- Finished installation of the sanitary sewer on Henry Street west of Holly Street.
- Installed the temporary water main on the north side of Henry Street across Arbor Street.
- Excavated for the AES duct bank.
- Installed seals on sanitary sewer manholes.

Note: For weekly, more detailed construction updates, visit [indy.gov: White River Innovation District](http://indy.gov:WhiteRiverInnovationDistrict).
