White River Innovation District - September 2024 Construction Update

During September, the contractor and crews:

- Shaped shoulders and slopes on the new South White River Parkway and on Henry Street.
- Continued granite curb installation and backfilled the subgrade for the sidewalk along Henry Street.
- Finished the AES bank installation along South White River Parkway.
- Continued installation of water main and storm sewer on South White River Parkway south of Henry Street.

Installing the granite curb along Holly St.
