### White River Innovation District – March Construction Update

During March, the contractor and crews:

#### Henry Street Bridge:

- Crews worked on piers 4, 5 and 6.
- Began work on the ring mock-up.
- Stantec continues Archeological excavation.

#### West Side:

- Continued installation of granite curb along SWRP and Henry Street.
- Continued working on sidewalk and paver bases along Henry Street.
- Continued concrete patching on D-Loop.
- Working on preparing subgrade on Henry Street and on SWRP.

*Crews set the formwork for the concrete ring mock-up*

*Concrete patching continues along the D-Loop*
