White River Innovation District – April Construction Update

During April, the contractor and crews:

Henry Street Bridge:

- Crews worked on piers 4, 5 and 6.
- Repaired the causeway damage caused by flood.
- Continued work on the ring mock-up.
- Stantec continues Archeological excavation.

West Side:

- Continued installation of granite curb along SWRP and Henry Street.
- Continued working on sidewalk and paver bases along Henry Street.
- Began Phase C water main connection.

Crews set the formwork for the concrete ring mock-up

Note: For weekly, more detailed construction updates, visit indy.gov: [White River Innovation District](#).

Concrete patching continues along the D-Loop
