White River Innovation District – July Construction Update

Henry Street Bridge:

- Set all T-Beams.
- Poured end bent 1.
- Began setting bridge decking forms (see photo).
- Stantec continues Archeological Excavation east of the bridge.

West Side:

- Finished installing all granite curbs except for those at the corners of Henry Street and South White River Parkway (SWRP) and on Henry Street east of SWRP.
- Continued installing traffic signal and lighting foundations.
- Continued installing pavers on sidewalks, ramps & center islands.
- Continued planting trees and shrubs, and placed mulch in plantbeds.

Note: For weekly, more detailed construction updates, visit indy.gov: White River Innovation District.
